Introduction to Lei Yue Mun Park

A Serene Oasis in the Urban Area

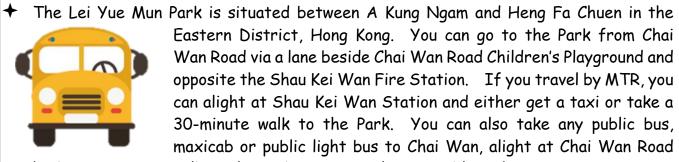

+ The Lei Yue Mun Park of the Leisure and Cultural Services Department is located in

Chai Wan, Hong Kong. Overlooking the Lei Yue Mun Channel and occupying an area of 22.97 hectares, it is the first holiday village in the urban area and has been opened for public use since 1988. Extensively grown with trees in the surroundings, the Park is tranquil and relaxing with beautiful landscape and an abundance of

fresh air. It is an ideal place to relieve the stress of city life. (Hirers please note: Camp facilities, such as hostels, recreational facilities, canteen, etc., are located on different spots of a slope and connected by pavements.)

Easily Accessible

and take a 10-minute walk to the Park. It is easily accessible and very convenient. Bus routes passing through Chai Wan Road are A12, 8, 8H, 8S, 8X, 9, 14, 49X, 81, 81A, 82, 825, 780 and 780P. Cross- harbour bus routes are 106, 106P, 118, 606, 606X, 613A, 682, 682A, 682B, 682P, 694 and 976A and maxicab routes are 20, 65, 65A, 66 & 66A.

Distinctive Hostels

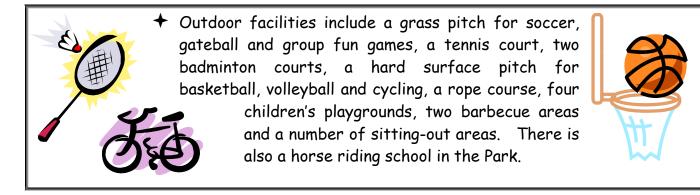

The six hostels in the Park are modeled on European architecture in early 20th century. Each hostel has a distinctive and spacious balcony. There are four family hostels and two group hostels with a capacity of 282 campers. The family hostels, self-contained with bedrooms, shower rooms and toilets, can accommodate 232 campers. Air-conditioning is provided in summer (from 4pm to 8am on the following day from May to October). With a total of 12 bedrooms, the two group hostels can accommodate 30 and 20 campers respectively. They are equipped with public shower rooms with hot water supply and toilets.

Diversified Facilities

Indoor facilities

Indoor facilities include a recreation centre (with games rooms for archery, dance, floor curling, arts and handicrafts, gateball, table-tennis, American pool, sports climbing, board games, air hockey and soccer game machines etc); the digital games room, a pool soccer room, a squash court, a children's play house, a training centre with six classrooms, a general restaurant for 400 persons, a coffee corner with fast food kiosk and other rooms for karaoke, TV watching and reading.

Outdoor facilities

Horticultural facilities

+ There are many landscaped areas and horticultural facilities in the Park, including a scented garden, a nature trail, an orchid house, an African violet house and a demonstration nursery, providing an ideal place for nature and plant lovers. An exhibition hall with pictures and exhibits of common plant species in Hong Kong is provided in the horticultural centre for campers' appreciation. Interesting and educational talks on horticulture are also held for campers from time to time.
